Managers need to be informed that the Annual General Meeting will be held on April 26, 2011 – Jackie to forward email.

Meeting will be held at 7pm, executive may meet prior from 6pm to 7pm.

Positions that will not need to be elected are Webmaster – Darren, acclaimed; Referee in Chief, George Henderson also acclaimed

Decision made to separate secretary/treasurer into two roles, as this has been a large job for one person to do both.

Decision to forward via mail next season registration forms mid-May, Jackie will complete this task for this year – will have Angie Nickle's mailing address on them as she has volunteered to be recipient given Burke is stepping down as VP and Angie resides in Owen Sound.

Registration details discussed, will allow 3 post-dated cheques, raffle cheque to be separate & does not need to be dated until October 1st.
Registrations will be \$475, \$500 after September 1st.

Discussion regarding Attack jersey unclaimed after Raffle March 5th, Charlene to look into criteria re: holding this prize – would be a good fundraiser to run another raffle given Attack season this year however may not be permitted.

Discussion regarding outstanding registrations from 2010/2011 season – will not allow girls on the ice for scheduled games if fees are unpaid next season, some registrations may not be received and this is not fair to girls that have paid in full.

Heather to forward letters to sponsors to thank them for their contributions for the Olympian event.

Discussion regarding feasibility of organizing 'A' designation teams, ie: Pee Wee division – will continue to consider – try-outs for Saugeen team upcoming after April 18th, would take much organization and commitment let alone girls' abilities, suggestion to formulate a committee to look into this for future seasons.

Next meeting April 12th at 6pm BDO building.
