Raffle – January 15th – many tickets left to sell. Time set up at Zehrs January 7th & 14th – as many volunteers as possible would be great. Ice Hawks account needs as much raffle money as possible! Tickets haven't been hard to sell at \$2.00 each – players, parents need to push them more – more tickets available through managers, Charlene.

Fees – several registrants still owe fees – need to be collected. Burke and Heather to discuss who owes. Managers please relay to parents need to catch up on outstanding registration fees.

Teams:

Atoms – doing well, more wins than losses, and they are a very young team with only one 2nd year atom on board. Started with 8 signed, now up to 16 players. Having fun!

Pee Wee – 3rd place in their division. Doing well, Sierra is new in goal & is learning the position, defence doing a good job backing her up. Girls having fun & playing well!

Bantams – 3 wins, coming together. Good bunch of girls!

Midgets – Good coaching, very social bunch! They are improving.

Intermediates – shy on skaters most games, could call up from midget group. Float money is a concern as few spectators paying – Bantams will provide \$100 from their float to Intermediates to help get them through. Girls having fun!

Burke to register for RBC grant – as advertised on T.V. Grant goes to hockey organizations in need.

Provincials – soon time to register – usually mid-January. Teams can contact convenors of tournies to find out when/where Provincials as well as Year-end tournies will be held this year, WOAA website shows last year's info.

Potential event – Paul Osadzuk is gathering information on a potentially big event that could be held as early as March 2011 – involving coordination with other organization(s) to bring awareness about women's hockey to the area. Could potentially include 3 prior female hockey Olympians! Details to follow as Paul gains more information.

Next meeting Tuesday January 25th at 6pm Bayshore – Shore Room
